New York, New York 10022

Dear Dr. McAllister::

This is to inform you that the international symposium on "Smooth Muscle Contraction: Recent Advances" has been postponed to 24th-27th August 1993. This was because of a very similar NATO supported, muscle symposium at Siena, Italy. Most of my own speakers were presenters at that meeting could not come to my meeting. However they have agreed to come in 1993.

I am writing to request permission to retain the money until August 1993.

The proposed budget amounts to \$60,000. Of this \$15,000 has been raised from donations and \$16,000 will come from registration. I would be very grateful for any further assistance.

Sincerely,

Newman L Stephens, MD, FRCP(London)
Professor
